Policy Leadership for Active Youth (PLAY) is a three-year policy research initiative of the Georgia State University Institute of Public Health in partnership with the Georgia Center for Obesity and Related Disorders (GCORD) of the University of Georgia and the Medical College of Georgia. PLAY collaborates with other stakeholders to identify promising strategies to increase physical activity, decrease sedentary behaviors and prevent childhood overweight. Investigators are Dr. Michael Eriksen, Valerie Hepburn and Dr. Ike Okosun, Georgia State University; Dr. William Kanto, Dr. Paule Barbeau, Dr. Frank Treiber and Dr. Andrew Muir, Medical College of Georgia; and Dr. Rebecca Mullis, Dr. Richard Lewis and Dr. Emma Laing, University of Georgia. For information, contact PLAY project director Rodney Lyn at rlyn1@gsu.edu or (404) 651-2209.

Healthcare Georgia Foundation is a catalyst for better health and health care in Georgia. Through strategic grantmaking, Healthcare Georgia Foundation supports organizations that drive positive change; promotes programs that improve health and health care among underserved individuals and communities; and connects people, partners and resources across Georgia.

HealthVoices is published periodically by Healthcare Georgia Foundation as an educational service to Georgians interested in health policy. HealthVoices is available online at www.healthcaregeorgia.org. For further information, please contact Martha Katz, Director of Health Policy, 404.653.0990 or mkatz@healthcaregeorgia.org.
